VERITAS  
FOUNDATION

## THE VERITAS FOUNDATION RAISES OVER \$3,500 IN ITS 2022 SPRING FOOD DRIVE

We are thrilled to announce that a record \$3,590 was donated by generous individuals to the 2022 Veritas Foundation Spring Food Drive. This was our most successful food drive to date.

Proceeds went to the **Weston Area Emergency Support (WAES)** in Toronto, Ontario.

Diana Stapleton, Chair of the WAES Steering Committee, stated "We have been running short of food due to the high need, and summer is a time when most people are not thinking of donating to food banks. Your donation will help us to fill the hampers we distribute to over 180 families each week. The food you donated represented about 7,200 meals!"

Thank you to everyone who participated - you have made such a material difference to many people's lives. A special thank you to Julien De Santi of Veritas and Marco Monico of RBC Dominion Securities for their organizational efforts!
