Welcome SafeBridge Charitable Fund to the Veritas Foundation Giving Fund

March 15th, 2021

The Veritas Foundation Giving Fund is thrilled to welcome the **SafeBridge Charitable Fund** as its newest account holder.

The SafeBridge Charitable Fund was created by SafeBridge Financial to give back to the community and make it a better place for everyone to call home. SafeBridge provides support to families in need through [Make-a-Wish Canada](#) and [Homes4Hope Canada](#), along with other local charities in the GTA and beyond. In 2020 alone, SafeBridge helped sponsor 6-year-old Bria who suffers from a rare genetic disease, build 3 homes in Guatemala for families living with a disability, and provided Christmas gifts for 6 families through the Holiday Helpers Toronto initiative.

SafeBridge has supported both of these organizations and others since the beginning. They now invite their clients, partners and team members to join them in this journey as they commit to matching funds, raising funds, and making a difference in the lives of others in need.

SafeBridge Financial provides top of the line, holistic and personalized financial advice to its clients with a comprehensive strategy to realize their mortgage, insurance and investment needs, as one.
