Veritas-500 Fastest Growing Charities Gala Reception Video Now Available for Viewing

The video from the gala reception honouring the 2022 Veritas-500 Fastest Growing Charities and Foundations in Canada is now available for viewing. These Charitable Organizations are garnering increasing attention with both donors and the community, and in turn provide products and services that are in demand by the communities they service. The Veritas-500 draws attention to those charities which are excelling in their charitable mission through good management, mission awareness, and project impact.
