Welcome
Homes4Hope Canada
to the Veritas Foundation Giving Fund

May 4th, 2021

The Veritas Foundation Giving Fund is thrilled to welcome **Homes4Hope Canada** as its newest account holder.

Homes4Hope Canada connects some of the world's most fortunate donors and organizations, such as Habitat For Humanity, with each other to help fund the building of homes for those less fortunate who cannot afford a home. They believe in a model where small groups of individuals can work together to become deeply connected to a meaningful cause and give generously to change the lives of the world's most vulnerable.

You can read more about **Homes4Hope** at their website [HERE](#).

Contact me directly if you would like to establish your own charitable fund instantly, or create one for your company or community group.
